

MWC Barcelona is back! LitePoint will be exhibiting at the industry's most influential connectivity event.

As the world's leading exhibition for the connectivity industry, MWC Barcelona is attended by global mobile operators, device manufacturers, technology providers, vendors, and content owners. This year the theme, Connectivity Unleashed, features the hottest technology that will shape the future.

Explore how 5G Connect, Advancing AI, CloudNet, FinTech, IoT and Tech Horizon will help to unlock the full power of connectivity so that people, industry and society thrive.

Let's reconnect at MWC22 between February 28 – March 3 for networking, thought leadership and to discover the hottest themes that will shape our lives.

Join LitePoint at Hall 7 MWC22-Stand 7F73MR and Stand 7G74MR
